Subject: RE: [REDACTED] case

James,

Late this afternoon there was a stipulation to the drugs, therefore you will not needed to testify tomorrow morning. I will try calling the lab to get a hold of you in person and save you the trip.

Tim

Hi Tim,

I never received a summons for this case. I got your email while I was at our Boston Lab. I won't be back until later. I can be available tomorrow.

Jim
